FEATURED LISTING —

A MASTERPIECE IN HOME DESIGN

This 5600 sq ft home features Brazilian cherry floors, teak staircase from Java, Tennessee pine logs and reclaimed brick from the Civil War era. The master bedroom has a large stone fireplace and French doors leading to a private deck area overlooking one of the two large ponds on the 4.8-acre property. Located just a stone's throw from the Teton River, this home has it all!

Listed Price: \$1,800,000 R08-010
